

Social Page

- **Unable to add video**
Shows prebook vendor
stopped working. (as
shown in screen shot)
- **Videos fast play nahi ho**
rahi.

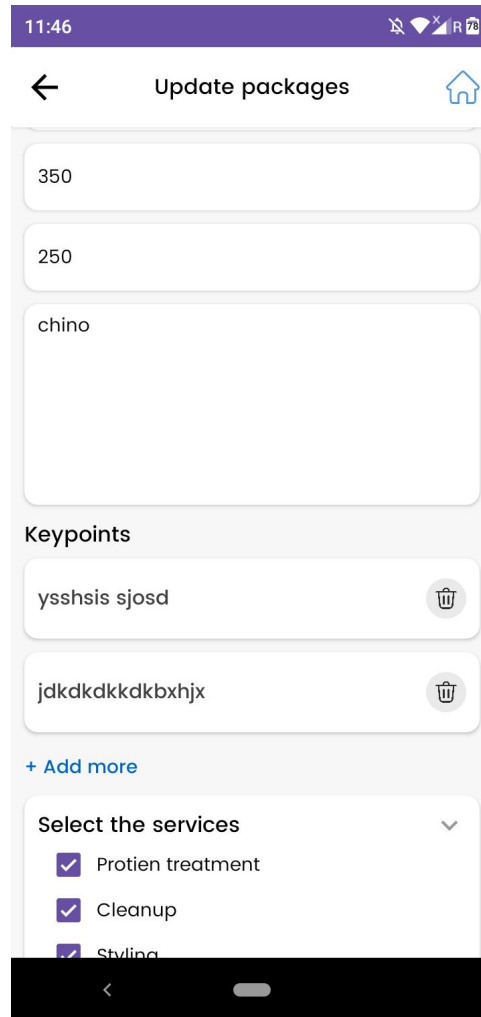

Service section

- Jo bhi key points single service mein daale honge wo bahar dikhaai nahi de re ... service ke key points ko humm andhar bhi dikhaayenge or bahar bhi as shown in screen shots.

Package update

- Jab humm kissi package mein kuch change kar rahe i.e in service selection, key points to wo bina update pe click hue change ho jaara..... Jab update pe click karenge tab effect show hoga user pe

Service Section

- **Services mein bhi key points
bina update pe click kiye hue
change ho jaa re.....jab hmm
save pe click karenge tabhi
update hogaa**

Staff Management

- **Issme bhi same service selection ke time pe bina update pe click hue change ho jaaraa.....kindly make this ki jab update pe click karenge tabhi selection update hogi**
