Social Page
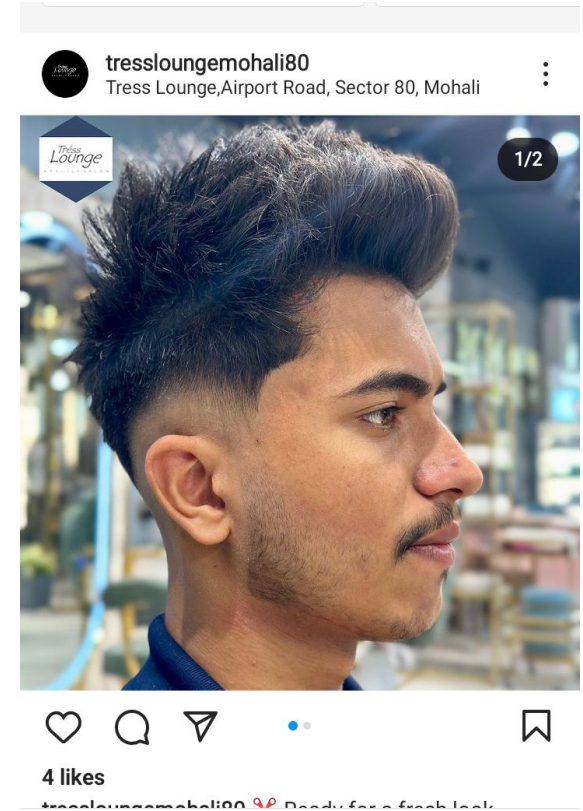

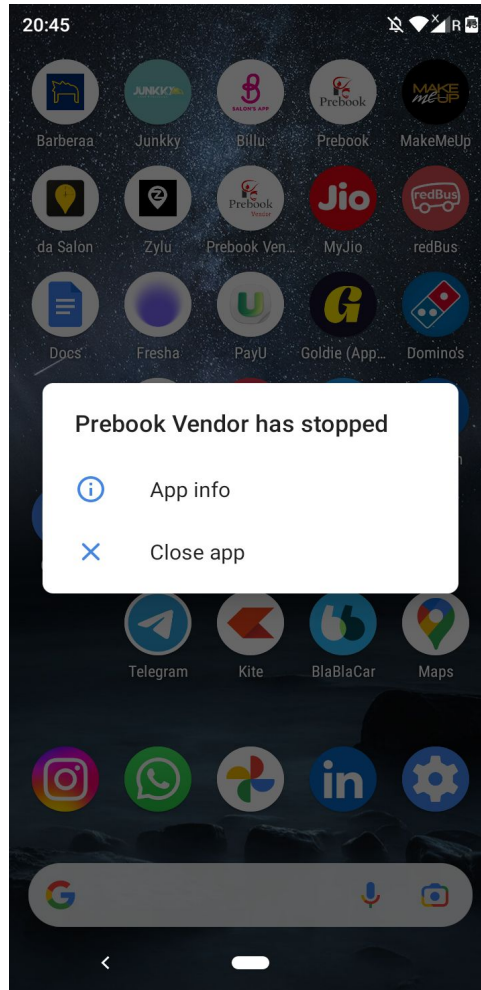

- **Unable to add video Shows prebook vendor stopped working. (as shown in screen shot)**

- **Images upload karte time hmm multiple images bhi upload kar paaye in single frame .That is ki ek single post ek andhar multiple images inside aisa bhi ho jaaye. Jaise ki instagram ki post pe hota hai. (As shown in second screenshot.)**
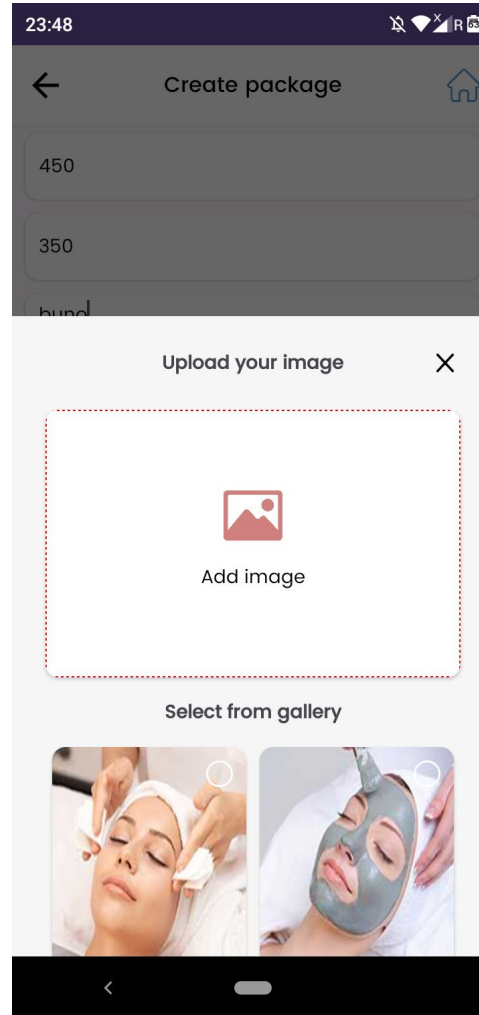

Packages

- **Jab bhi humm packages create karte time ya update karte time sirf services selection mein change kar rahe to …. (No change make) message shows ho raa but package mein change ho jaara ….this case only works for Services selection change only. As shown in screenshot. Make same like this that package got updated successfully.**
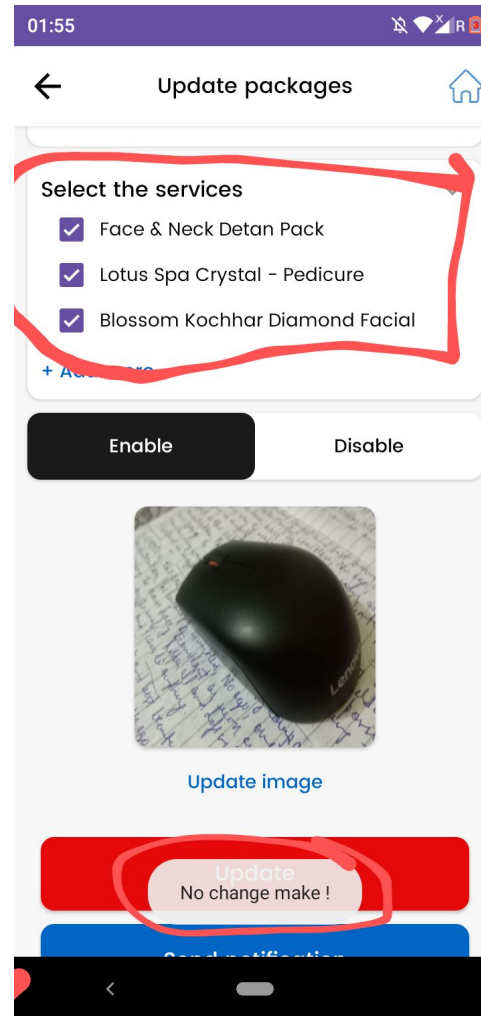

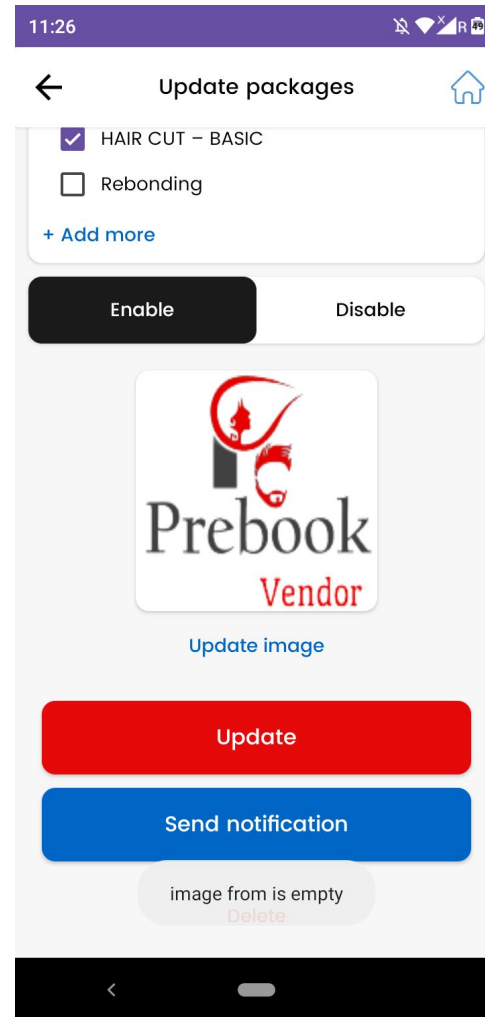

Packages

- **Packages create ya update karte time jo admin ki gallery hai wahan se images select nahi ho rahi.. Kindly see this issue and make it working as shown in screenshot.**

Packages

- **Now jab ab packages update kar rahe to Image from is empty show kr raa and packages not updating as shown in screenshot.**

- **And jab image nahi daali ho to yaha pe no image available show ho .**

Offers

- **Jab bhi hmm offer create kar rahe to wo bina image ke create ho jaa raa… without image do not create the offer.**

- **Jab bhi hmm offer create ya update karte time image change kar rahe that is either from gallery or camera …kaafi time ke baad effect show ho raa uska in both user and vendor app pe. As shown in screenshot…kindly make the as fast as you can.**
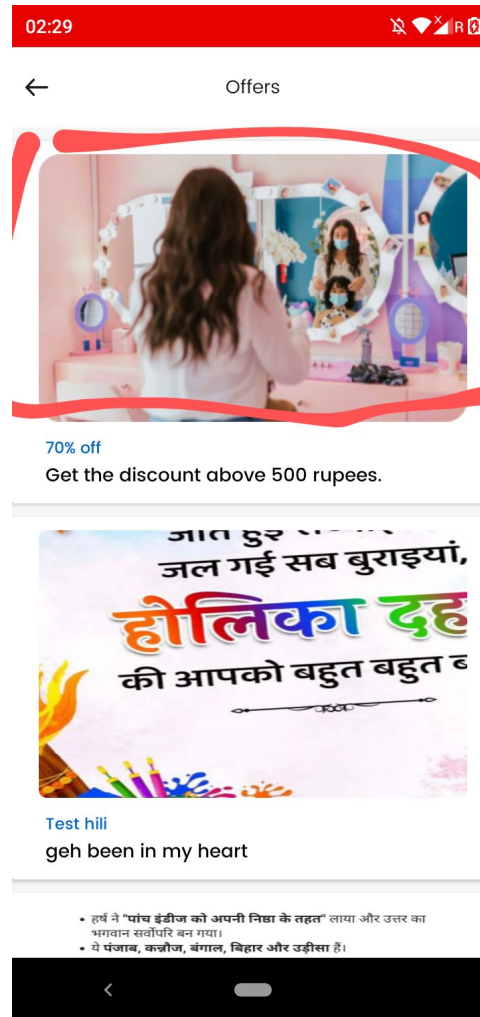

Offer

- **Jab bhi humm offer delete kar rahe to after deleting. back icon pe click karne ke baad same deleted offer pe le jaara with message data not found. As shown in the screen shot. Kindly see this and correct it.**
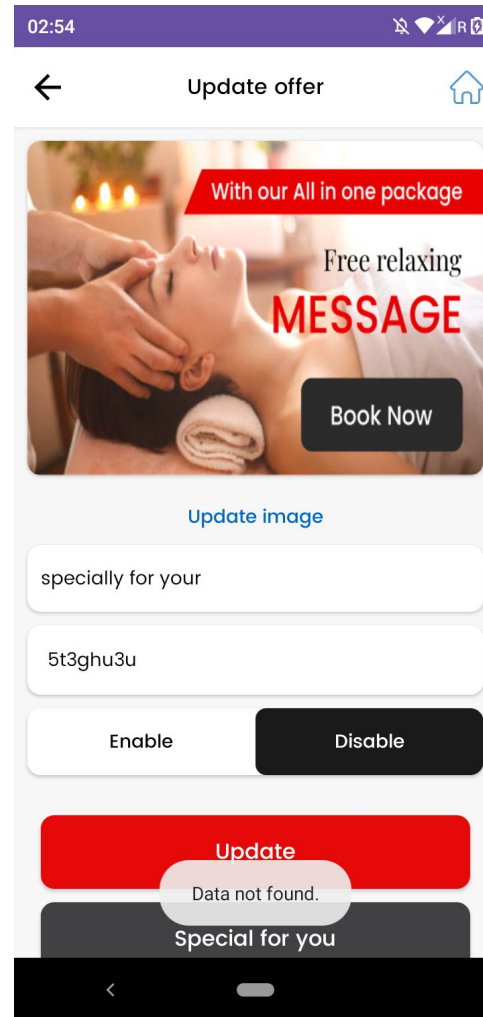

Staff Management

- **Unable to select the services in men and women section.**

About

- **Unable to add data in about salon section in vendor.**
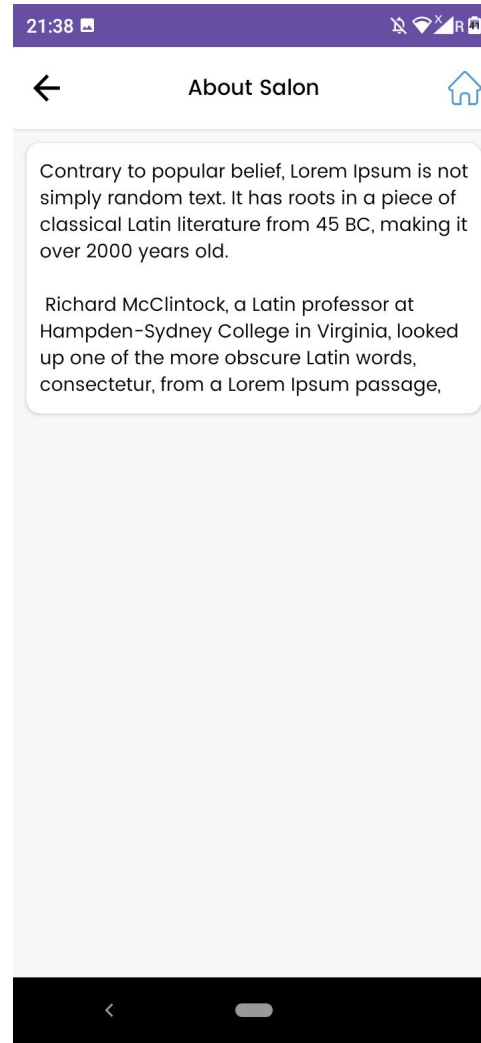

Services section

- **Jab humm service disable karein tab bahar bhi services disabled karke show jaise packages and offers pe ho raa.**

- **Image mobile gallery se update ho jaari. And could not show the effect in user app.**

- **Admin gallery is not working again.**

Services section

- **In key point two sections are showing see this because i think only one section mein key point add ho jaayenge. Shown in screen shot.**

- **Delete button of services is not working.**

- **Agar hummein description add nahi karni ho to humm usse blank bhi chhod sakte hai …. And bina description ke bhi service update ho jaaye as shown in second screenshot . sirf services ke case mein.**
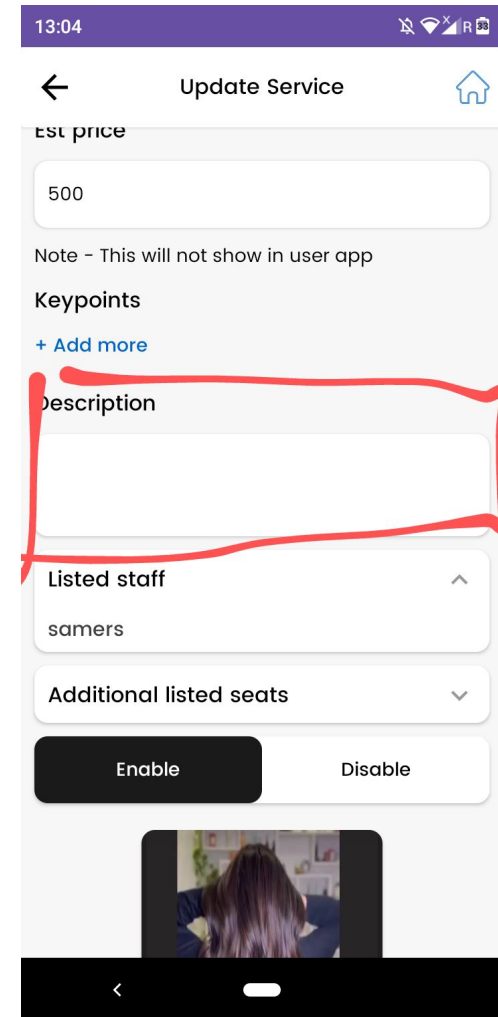

Packages

- **Packages mein key points ka concept daal na hai sir taaki presentation badiya lage….and wo user pe andhar hi dikhe…..as done same in services section in vendor. Shown in screen shot.**

Packages mein bhi daal dijiye key points .
