Our ISO certification and approval by the UGC reflect our dedication to maintaining the highest standards of education excellence. Through our cutting-edge e-learning platform, we empower individuals with the practical skills needed to thrive in today's dynamic job market. Our comprehensive approach includes innovative courses, mentorship programs, and a robust job placement network, all aimed at reshaping employment opportunities and fostering entrepreneurship. Join us in this transformative journey towards a brighter, more skill-driven future."

UGC (University Grants Commission) approval signifies that our institution meets the stringent standards set by the commission for higher education in India. This recognition ensures credibility, quality assurance, access to funding and grants, global recognition, and enhanced career opportunities for our students. We're committed to providing high-quality education that empowers our students for success in their chosen fields.

Membership in the Association of Commonwealth Universities (ACU) connects our institution with a prestigious network of over 500 universities across the Commonwealth. This affiliation enhances our global standing and provides opportunities for collaboration in research, academic exchanges, and capacity building. Being part of ACU signifies our commitment to upholding high educational standards, fostering international partnerships, and contributing to the global higher education community. Through ACU, we gain access to resources, funding opportunities, and platforms that support the advancement of higher education and societal development.

BCI (Bar Council of India) approval signifies that our institution meets the high standards set by the council for legal education in India. This accreditation ensures credibility, quality assurance, access to funding and grants, global recognition, and enhanced career opportunities for our students pursuing legal studies. We're committed to providing comprehensive legal education that prepares our students for success in the dynamic field of law.

NCTE (National Council for Teacher Education) approval indicates that our institution adheres to the rigorous standards set by the council for teacher education in India. This accreditation ensures credibility, quality assurance, access to funding and grants, global recognition, and enhanced career opportunities for our students pursuing careers in teaching. We are dedicated to providing exemplary teacher education that equips our students with the necessary skills and knowledge to excel in the field of education.

The Atal Ranking of Institutions on Innovation Achievements (ARIIA) is an initiative by the Ministry of Education, Government of India, designed to systematically rank higher education institutions in India based on their innovation and entrepreneurship development. Being recognized in ARIIA signifies our institution's commitment to fostering a robust innovation ecosystem, promoting cutting-edge research, and supporting startup initiatives. This recognition enhances our institution's reputation, encourages industry-academia collaboration, and highlights our dedication to producing graduates who are equipped to drive technological advancements and entrepreneurial ventures.

Affiliation with the Mahatma Gandhi National Council of Rural Education (MGNCRE) underscores our commitment to integrating rural education and development into our academic programs. MGNCRE, under the Ministry of Education, Government of India, promotes initiatives that enhance the quality of life in rural areas through education. By collaborating with MGNCRE, our institution focuses on fostering sustainable development, rural entrepreneurship, and community engagement. This association reflects our dedication to creating impactful educational experiences that empower students to contribute to rural upliftment and national progress.

Receiving the "Excellence in Education" award from Open The Magazine signifies our institution's outstanding achievements and commitment to high educational standards. This prestigious recognition highlights our innovative teaching methodologies, exceptional faculty, state-of-the-art infrastructure, and holistic approach to student development. It underscores our dedication to providing an exemplary educational experience that prepares our students for successful careers and meaningful contributions to society. This accolade enhances our reputation, validating our efforts to maintain excellence in all aspects of education.

ISO 9001:2015 is the international standard for Quality Management Systems (QMS). Achieving ISO 9001:2015 certification demonstrates our organization's commitment to consistently providing products and services that meet customer requirements and comply with applicable regulations. This certification signifies that we have implemented effective quality management processes, including continuous improvement, risk-based thinking, and customer focus. It reflects our dedication to quality, customer satisfaction, and organizational excellence, enhancing our credibility, competitiveness, and long-term success in the market.

Being a professional member of the Association of Indian Universities (AIU) signifies our institution's commitment to promoting higher education standards and collaboration within the Indian academic community. AIU serves as a platform for networking, sharing best practices, and addressing common challenges faced by universities and academic institutions across India. Membership in AIU strengthens our institution's credibility, facilitates academic exchange, and enhances our participation in shaping the future of higher education in India.

The Institution's Innovation Council (IIC) is an initiative by the Ministry of Education, Government of India, aimed at fostering innovation and entrepreneurship among academic institutions. As a member of IIC, our institution is committed to promoting a culture of innovation, creativity, and problem-solving among students and faculty members. Through various activities, workshops, and initiatives organized by IIC, we encourage students to develop innovative solutions, explore entrepreneurial opportunities, and contribute to societal development. Membership in IIC strengthens our institution's innovation ecosystem, enhances industry-academia collaboration, and prepares our students to become future innovators and leaders.
